

DON'T GET STUCK WITH YESTERDAY'S SAFETY SYRINGE

Introducing the InviroSNAP! Safety Syringe

The new *InviroSNAP! Safety Syringe* takes sharps safety to the next level with a new category of safety syringe that bridges the gap between bulky retro-fitted models and more expensive automatic retractable syringes. The simple PUSH-PULL-SNAP! process makes this manually retractable syringe as easy to use as a traditional syringe, but with powerful next generation advantages. Introducing the *InviroSNAP! Safety Syringe*, the next generation in safety.
